

Executive Committee Conference Call

Executive Committee Minutes

Thursday, November 9, 2004

Members Present: Karen McDowell, Susan Ellis, Tina Proctor

Members Absent: Al Van Vooren, Blaine Parker, Dwight Williamson, Ted Grosholz, Scott Smith, Mark Sytsma

Since there was not a quorum for this conference call, the attendees did not discuss the whole agenda. Focus was on the ANS Task Force meeting in Monterey, California in late May. The WRP will be in charge of scheduling a ½-day session on the WRP projects and other western issues. A committee will be formed in January to plan that part of the meeting.

The next Executive Committee meeting will be Thursday, January 13th.

Minutes prepared by Tina Proctor, WRP Panel Coordinator
